## Album Cover Options

### Fabric

Create a cover with one of our colorful fabrics, silks or linen options.

### Floral Fabrics

An elegant print from cover to cover. From left to right: Black, Bronze, Champagne, Platinum, and White. Select options are being discontinued.

### Mineral Collection

Get rich with texture and sheen with Mineral fabric. All other options except Graphite are being discontinued.

### Premium Leathers

Choose a Premium Leather when only the best will do. They are genuine leathers that we cut from a hide and are the highest quality natural cover material we offer. From left to right: Steel, Fog, White and Black

### Vintage Leathers

Make a beautiful, high-end album with our Vintage Leathers. From left to right: Charcoal, Aviator, Saddle, Camel

### Distressed Leathers

Genuine leathers with beautiful distressing that we cut from a hide. Every leather features characteristics that are unique to each hide. From Left to Right: Honey, Coal, Stone + Walnut

### Standard Leather

A classic and timeless choice, bonded leather is available with an alligator texture. All other options except Black Alligator are being discontinued.

### Leatherettes

Make a statement with our imitation leathers. Leatherettes pair nicely as a Combo Cover.

### Faux Leathers

Make a statement with our animal-free Faux Leathers. They are available in bright colors and pair nicely as Combo Covers.
